

Application for AStA no. 18

Dear applicant to AStA no. 18,

we appreciate that you want to become part of the next AStA! You can use this form to „concretise“ your application. You can fill in the bottom two text boxes, so that we can get to know you a bit better and get an idea of your experience as well as your motivation. (They only serve as a guide, you don't need to limit your application to these questions.) The application period ends on 02.05.23 at 23:59 for the chairpersons and the speakers. In case you have any questions, feel free to write an email to stupa@hcu-hamburg.de.
